## Trustees Oppose County 'Power-Grab'

### Annexation Bill's Defeat Is Sought

Antioch's trustees voted 6-0 Monday night to urge state representatives to withdraw Illinois House bills that would give control of all annexations to the Lake County Regional Planning Commission.

The resolution approved at the village board meeting called the bills "an attempt at a power-grab by county government to take away control by local elected officials."

State Representatives Donald Deuster and John Matijevich have introduced the bills. They would provide that no village could proceed with an annexation unless it had the blessing of the County Regional Planning Commission.

IF THE commission disapproved of a proposed annexation, 60 percent referendum votes would be required for a village, such as Antioch, to annex any property, even one or two lots.

"Nowhere else in city or village law is such a stringent and high percentage vote required," the Antioch resolution says.

It adds that "the duly elected officials of cities and villages are far better qualified to represent the communities which they serve than is the 10th floor of the county building in Waukegan."

THE COUNTY Regional Planning Commission is controlled by the Lake County Board.

"The County Board has shown itself unable to proceed with any planned unit development... except for two or three small parcels," the Antioch resolution adds. "The intended effect of these bills is for zero population growth in the cities, villages and unincorporated

Area Chairman Terry Folbrick said that more than 300 dinners were served to the sportsmen. In addition, 240 prizes were given out and auctioneer Herman Behn sold 40 items. Included among the prizes was a special edition DU Commemorative Shotgun, won by Dick Stewart.

William J. Murphy served as master of ceremonies and Folbrick also had thanks for committee chairmen Walter Henning, Bill Brook, Tony Starcevic, Chuck Miller, Dave Bushing and John Doetsch of the Dutchman Restaurant, who catered the event.

## 4 Grade School Teams On Globetrotter Program

While the world-famous Harlem Globetrotters are heading toward Antioch for their basketball game at the high school on Thursday, Apr. 3, Antioch's local eighth grade school basketball stars, cheerleaders and coaches are preparing for the student games that will begin the evening's entertainment.

Participating teams and cheerleaders include St. Peter's school (sponsored by the Antioch Bowling Lanes), Antioch Upper Grade school (sponsored by the State Bank of Antioch), Emmons school (sponsored by John Teresi Chevy-Olds, Inc.) and Grass

Lake school (sponsored by Grass Lake Lumber Company).

The first of two pre-Globetrotter games will feature St. Peter's and Antioch Upper Grade school. The second game will highlight Emmons and Grass Lake.

The teams losing at the end of each half will play one consolation half. The two teams leading at each half will play for the championship, which is sure to provide excitement and a rousing warmup to the Trotters' game scheduled to begin at 7:30 p.m.

Pres Reckers, chairman of the event, sponsored by the Antioch Chamber of Commerce and Industry, reports that Globetrotter tickets are now available through all Chamber of Commerce members, the Chamber office 395-3381, the State Bank of Antioch, 395-2700, as well as Antioch Community High School and St. Peter's.

Bill Brook read a petition that is being distributed for signatures of sportsmen and hunters in the area. It requests that a teal season be reinstated in Illinois in 1975.

"It is our feeling," the petition says, "That teal, being very early migrants, are an almost unharvested crop insofar as shooters in the United States are concerned. We also feel that the taking of ducks other than teal can definitely be controlled by proper education and law enforcement procedures."

"We want these bills defeated," Mayor Robert Wilton said. "We take great steps in planning here ... we've worked on a comprehensive plan for the village. I think these would be very bad bills for our community."

Management landfill site finally gain approval from the Illinois Environmental Protection Agency.

Antioch will have liquids that are polluting Sequoit Creek pumped to the village sewage treatment plant.

"Our treatment plant is capable and willing to accept leachate from the landfill to satisfy the EPA," said Trustee Bill Seemann.

Seemann also announced that Sunday, Apr. 13, is the tentative date for the dedication of the village's new Doc Jensen park.

THE TRUSTEES voted 6-0 to buy two acres of land adjacent to its park on North Main St. It is the old Willowdale Dairy property, just east of the tennis courts. Village Clerk Marilyn Sterbenz will obtain three appraisals on the property.

A motion by Haley was passed, raising the salary of trustees from \$25 to \$30 for regular meetings and from \$10 to \$15 for a maximum of two committee meetings a month. The raise will apply only to trustees elected in April of this year and in April of 1977.

Trustee Irv Walsh reported that the Lions Club is planning \$15,000 worth of repair work at the swimming pool and the village board voted to waive the permit fee for this work.

THE VILLAGE also is advertising for bids for three new vehicles: a station wagon for the fire department, a car for the police department, and a pick-up truck for the public works department. Specifications will be on file at the village hall.

# Antioch Honors Zimmermans On Saturday

Antioch will honor Elmer and Gert Zimmerman Saturday night as "Couple of the Year" at the 7th annual VIP dinner-dance at St. Peter's social center.

The decorating committee, headed by Hank Apostol, is transforming the social center into a "springtime park."

The Antioch mini-park mural has been reproduced by high school art teacher Jane Craner with the help of Miss Sharon Beckmann and 10 of her seventh grade students.

Sue Apostol, Teresa Becker, Fred Chase, Jim Davis, Julie Hope, Jim Horsch, Steve Ksioszk, Kim Mateski, Linda Olson and Mark Telinski.

MASTER OF ceremonies Kevin Mulhern will call attention to the highlights of the 50 years in which the Zimmermans have been involved in St. Peter's parish and the Antioch community.

Mayor Robert Wilton will present a plaque from the village and there will be many other surprises awaiting the "Very Important Persons."

Babe Wagner will entertain at the Organ during the cocktail and dinner hours. Larry Leafblad's Scotch Lads will provide music for dancing.

The Zimmermans' son and daughter will be there to share this special event in their parents' lives.

### Law Protects Easter Pets

If you want to give a child a little chick or duckling this Easter, you'll have to settle for the stuffed variety. For in Illinois, it is illegal to give a live baby duck or chick as a pet, according to officials in the Illinois Department of Agriculture, which administers the Humane care for Animals Act.

And if you like your rabbits colored blue, green or pink, you'll also have to settle for a doll. The same law prohibits selling rabbits or chicks which have been dyed or artificially colored.

The law states, "No person may sell, offer for sale, barter or give away any rabbit or any baby chick, duckling or fowl, which has been dyed, colored or otherwise treated to impart an artificial color thereto. Baby chicks or ducklings shall not be sold, offered for sale, bartered or given away as pets and novelties."

While people who give these little animals to children may have the best of intentions, many youngsters are unable to take care of the small fowl. Children often don't understand that live animals need careful handling. If the animal dies from rough handling, it ends up causing the children the unnecessary sadness of losing a pet, as well as causing pain to the animal.

**BARRY GOLDWATER**

## Should Taxpayers Support Businesses?

By SEN. BARRY GOLDWATER

Every now and then a member of Congress finds himself confronted by his own principles.

This happened to me recently when the Senate interrupted a filibuster long enough to pass measures providing emergency aid to the bankrupt railroads.

This situation is almost identical to the one last year when Congress voted for financial assistance to the Lockheed Aircraft Corp. I doubt the railroads or Lockheed has a better friend in Congress or anywhere else than me, but on these measures I had to vote "no."

THE REASON is simple enough when you stop to consider the situation. I don't believe the Congress of the

United States should set this kind of precedent - no matter how desperate the emergency.

If the competitive free-enterprise system means anything at all in our society, it means that businesses should be able to make a success of their operations, in an atmosphere of freedom, without the assistance of the American taxpayer.

This is so fundamental to the American way that I don't see why, if we advance money to Penn Central and Lockheed, any corner grocery store cannot come in and ask for assistance.

The railroad funds are aimed at tiding rail carriers over until the nation's railroads can be reorganized into a consolidated corporation, known as Conrail.

"Quit arguing, you guys, and DO SOMETHING-!"

This is expected to happen next year.

IRONICALLY, ONE of the most interesting aspects of the situation was finding an arch-liberal like Sen. Vance Hartke (D-Ind.) acting as floor leader of the measure to prop up rail lines. He told the Senate his group was recommending "the cheapest possible solution to this problem."

Maybe he is right. Maybe government guarantees, loans and grants are the best way to meet this problem. But I have a feeling that companies cannot buy prosperity in our system any more than governments can buy victories using the taxpayer's pocketbook.

In any event, I want to know what the answer will be when more companies come to Congress with the argument that they are in a financial mess and need federal money to get out. It could become a legislative nightmare if a precedent of this sort is established.

### Republicans To Hear Bill Thompson

The Antioch Republican Club will meet at Mr. Wonderful's on Channel Lake tonight at 8 o'clock.

William Thompson, First Asst. Superintendent of the Lake County Educational Service Region, will be the featured speaker. He has held many positions in the Republican Party - appointed and elected.

All are invited to attend to hear an interesting program.

### The Town Crier

We have been attending a lot of banquets lately and notice that most masters of ceremonies introduce "Mr. So and So and His Beautiful Wife."

We admit that all wives are beautiful but we are anxiously awaiting the evening when an emcee, considering how the Little Woman has had to endure her husband's involvement in his organization, will refer to her as "His Very, Very Patient Wife."

SATURDAY NIGHT'S township Republican party at Lorenz's was a delightful event, with good food and short, snappy speeches.

"Brevity is the soul of wit," Shakespeare said.

We particularly liked the closing benediction given by Rev. Philip O. Laurin:

"Tomorrow is always a new beginning and a new day. May we do better with it."

WE THINK Irv Carey would like Police Chief Jack Wells to lock up Mike Haley and Walt Delaney for a few days. It seems Irv caught them on Monday, St. Patrick's Day, and Haley and Delaney weren't wearing anything green.

THE WEATHER was so

spring-like on Monday that several people were trying to tell me that winter was over.

C'mon, who are you trying to kid? Every year, for the last 40 years, we have had snow during the last week of March. And sometimes it falls to the tune of several inches.

No, spring doesn't really arrive here until oh, maybe mid-June.

WE HAVE SOME bad news to report. The National Procrastination Society has postponed its annual meeting, and the weather forecasters picnic was rained out.

MAYOR ROBERT Wilton concluded Monday night's village board meeting by congratulating Village Clerk Marilyn Sterbenz on her 24th wedding anniversary (St. Patrick's Day) and the beautiful bouquet of 24 roses she received from her husband, Joe.

"The amazing thing about it," the mayor pointed out, "is that Marilyn was 11 when she was married. That's why it's her 24th anniversary."

## Along the way with ANNIE MAE

How about this weather ... sure hope it stays around for awhile.

Talk about super birthday presents! Ellen Kessler will fly to Spain on Mar. 20 to visit her daughter, Donna, who is studying at the university of Barcelona in Spain, compliments of husband Dick. The two gals will then do some traveling in Europe. Should be a birthday you'll never forget, gal.

**RELIABLE SOURCES** (as they say in the newspaper business) tell us that three streakers dashed down Lake Street at about 8 p.m. Monday. They were celebrating St. Patrick's Day, apparently, since their bodies had been painted green. (Right here in Antioch?)

Twenty four beautiful red roses made the village office a little brighter on St. Patty's Day in honor of Marilyn and Joe Sterbenz' 24th wedding anniversary. Congrats you two.

Special birthday wishes to Nettie Edwards who was 93 years young on Mar. 16. She was born in 1882 in Michigan and came to Antioch as a school teacher. She married the late Bert Edwards on June 5, 1912 and they had six children. Nettie now has seventeen grandchildren and seven great grandchildren. That's quite a family to watch over I'd say. The little lady still keeps up with everything, reading all the newspapers she can get hold of - and without glasses, too!

**DAVE RUSH** of Antioch appeared on television Monday, marching in the Chicago St. Patrick's Day parade with the Northern Illinois University marching band.

Antioch residents watching the parade were surprised when the cameras suddenly zoomed right in on Dave and stayed on him for quite a while as he marched along playing his snare drum.

Both of Dave's parents, Joe and Barb Rush, were watching because they knew the Northern Illinois group was marching. Imagine their delight when the cameramen decided to pick their son out of the band and concentrate on him.

Get wells to Mrs. Donald Cramer who is recovering from surgery in Victory Memorial Hospital.

Dressed in knickers, argyle socks, etc. Don Zeeman really got in the spirit of the "20's" while teaching his history classes at the high school last week.

Congrats to the Antioch Bowl House Elimination Tournament winners Judy Lamont and Pete Lehmann. Bowling with 64 other

gals, Judy and Mary Lou Harnoff competed in the finals. The lucky gal took home \$50, a silver tray and a trophy. Pete bowled with 128 men, going into the finals with Dutch Thobe. He won \$100 and a clock trophy.

Celebrating birthdays this week are Carol Drygras and Karen Nissin on the 19th, Sue Glenn and Don Vos on the 20th, Kerry Shute and Helen McLean on the 21st, Grace Jyrch, Dan Haley, Ted Paulson and Wiggy Bolton on the 22nd, Christy Arendt and Johnny Schmidt on the 23rd and Jody Patrovsky on the 24th.

Anniversary congrats to Mr. and Mrs. Michael Byrnes celebrating on the 19th.

The Choirs of the Antioch United Methodist Church and St. Stephen's Luthern Church are busy preparing special music for their combined Good Friday service on Friday, Mar. 28 at the Methodist Church at 7:30 p.m.

Thinking about you, Polly - maybe we'll see you during spring break!

Don't forget this weekend - the musical variety show "That's Entertainment" at the high school on Friday and Saturday evening. Hear tell it's an evening of fine entertainment for everyone. Also, the St. Peter's VIP Dinner Dance will be held on Saturday in the social center.

See ya,  
Annie Mae

## Village Residents Need Vehicle Stickers

Police Chief Jack Wells is reminding Antioch residents this week that they must have village stickers on the windshields of their vehicles.

The deadline for vehicle stickers was Mar. 1 and the police department is now beginning enforcement. Village residents who don't have the stickers on their windshields are subject to be ticketed.

Vehicle stickers are available at the village hall from Clerk Marilyn Sterbenz and her staff.

## Lakeside Rebekah Lodge

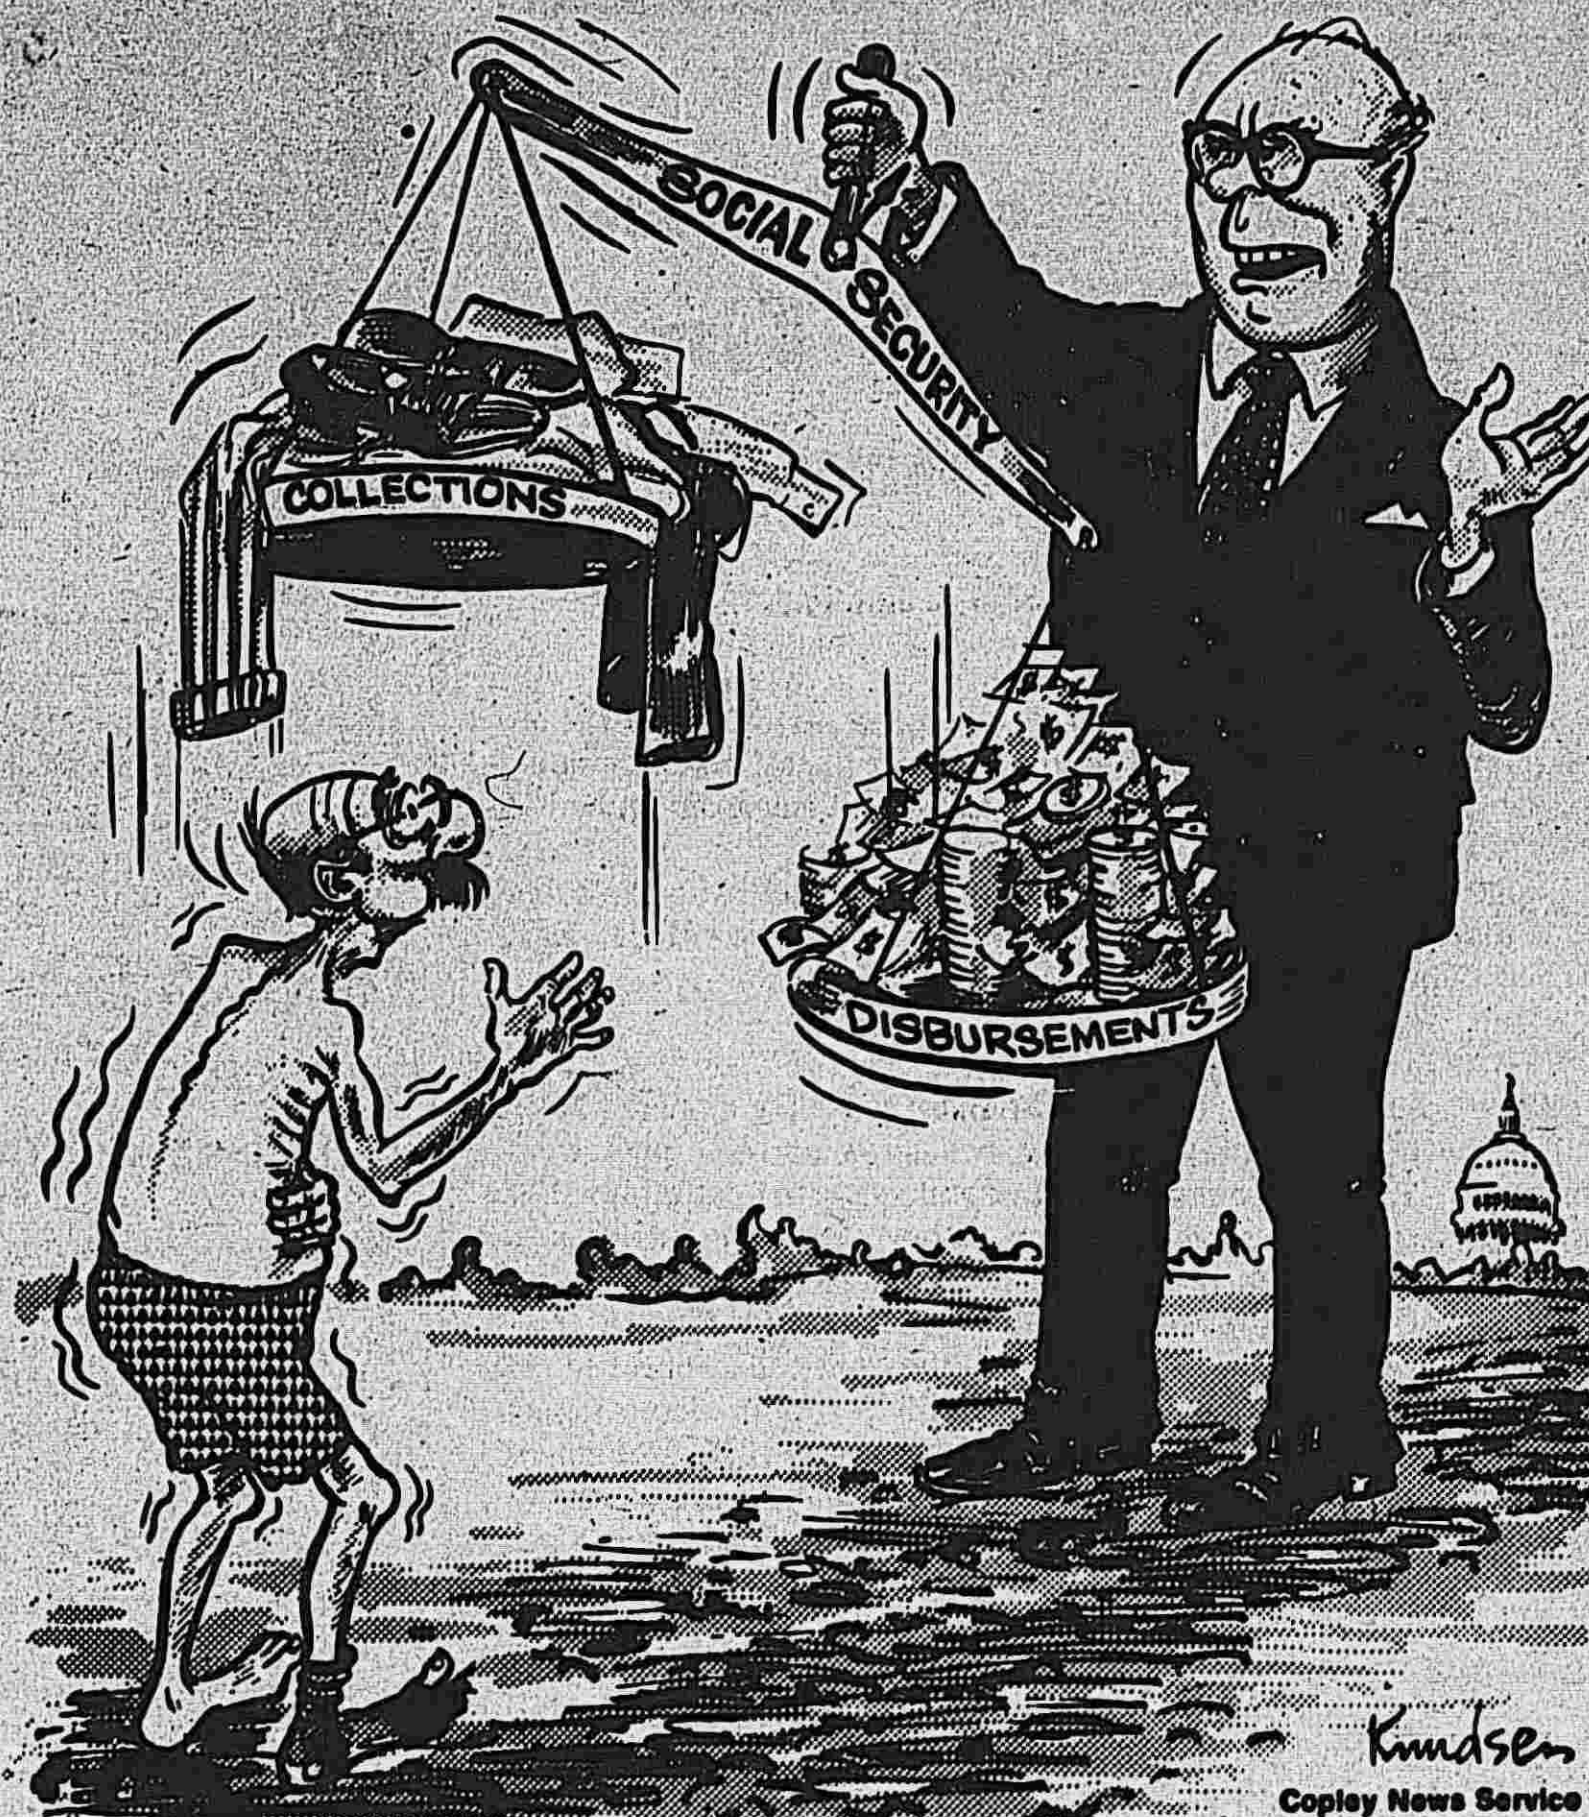

The Mar. 5 meeting was well attended by our members, with Ida Wysoglad, Noble Grand, welcoming Zella Larson, District 3 vice president. Mrs. Larson also attended the Barrington Rebekah lodge for its installation of officers, where she was installing Deputy Warden. Accompanying her were Agnes Ferris, Sherene

Jones, Ida Wysoglad and Shirly Glenn.

Birthday greetings to Lillian Hand and Bernice Clark.

The Tri-State Degree rally on Apr. 5 in Decatur is drawing near.

The next meeting will be a St. Patrick's Day party tonight.

## St. Peter's Variety Show ENTERTAINING!

St. Peter's Grade School presented a very entertaining variety show last Thursday evening.

Talent abounded in many different forms, from a very professional tap dance performance by Jennifer Bellucci, to a Barnum & Bailey-type clown presentation.

Sister Patricia Kerz, mission coordinator, developed the idea of the students becoming involved—giving their time and talents to benefit the needy in far away missions, and the variety show was the result.

A free-will offering was taken and more than \$100 was realized. The show was also presented to the student body that afternoon.

Two hard-working mothers, Pat Czapiewski, and Dorothy Purfeerst, helped Sister Patricia put the show together, which was no easy task as the 23 acts had to be co-ordinated, timed and given with less than three weeks of practice.

Masters of ceremonies were Peter Apostal and Don Purfeerst, who did an admirable

job introducing the various acts performed by children from all grades.

Space limits mentioning all 23 acts separately, but to mention a few future stars we have—Donna Warner and Linda Olson, who performed a medley of songs from "Mary Poppins," complete with costumes and choreography. Very entertaining.

A group of six authentic "Irish Dancers" added a touch of St. Patrick's spirit to the evening. These children take lessons at St. Peter's from Mrs. A. Kelly.

A special appearance was given by Steve Ksioszk, a 7th grade student who does a ventriloquist act with "Charlie McCarthy." Steve won first place recently at the Antioch PTA Talent show.

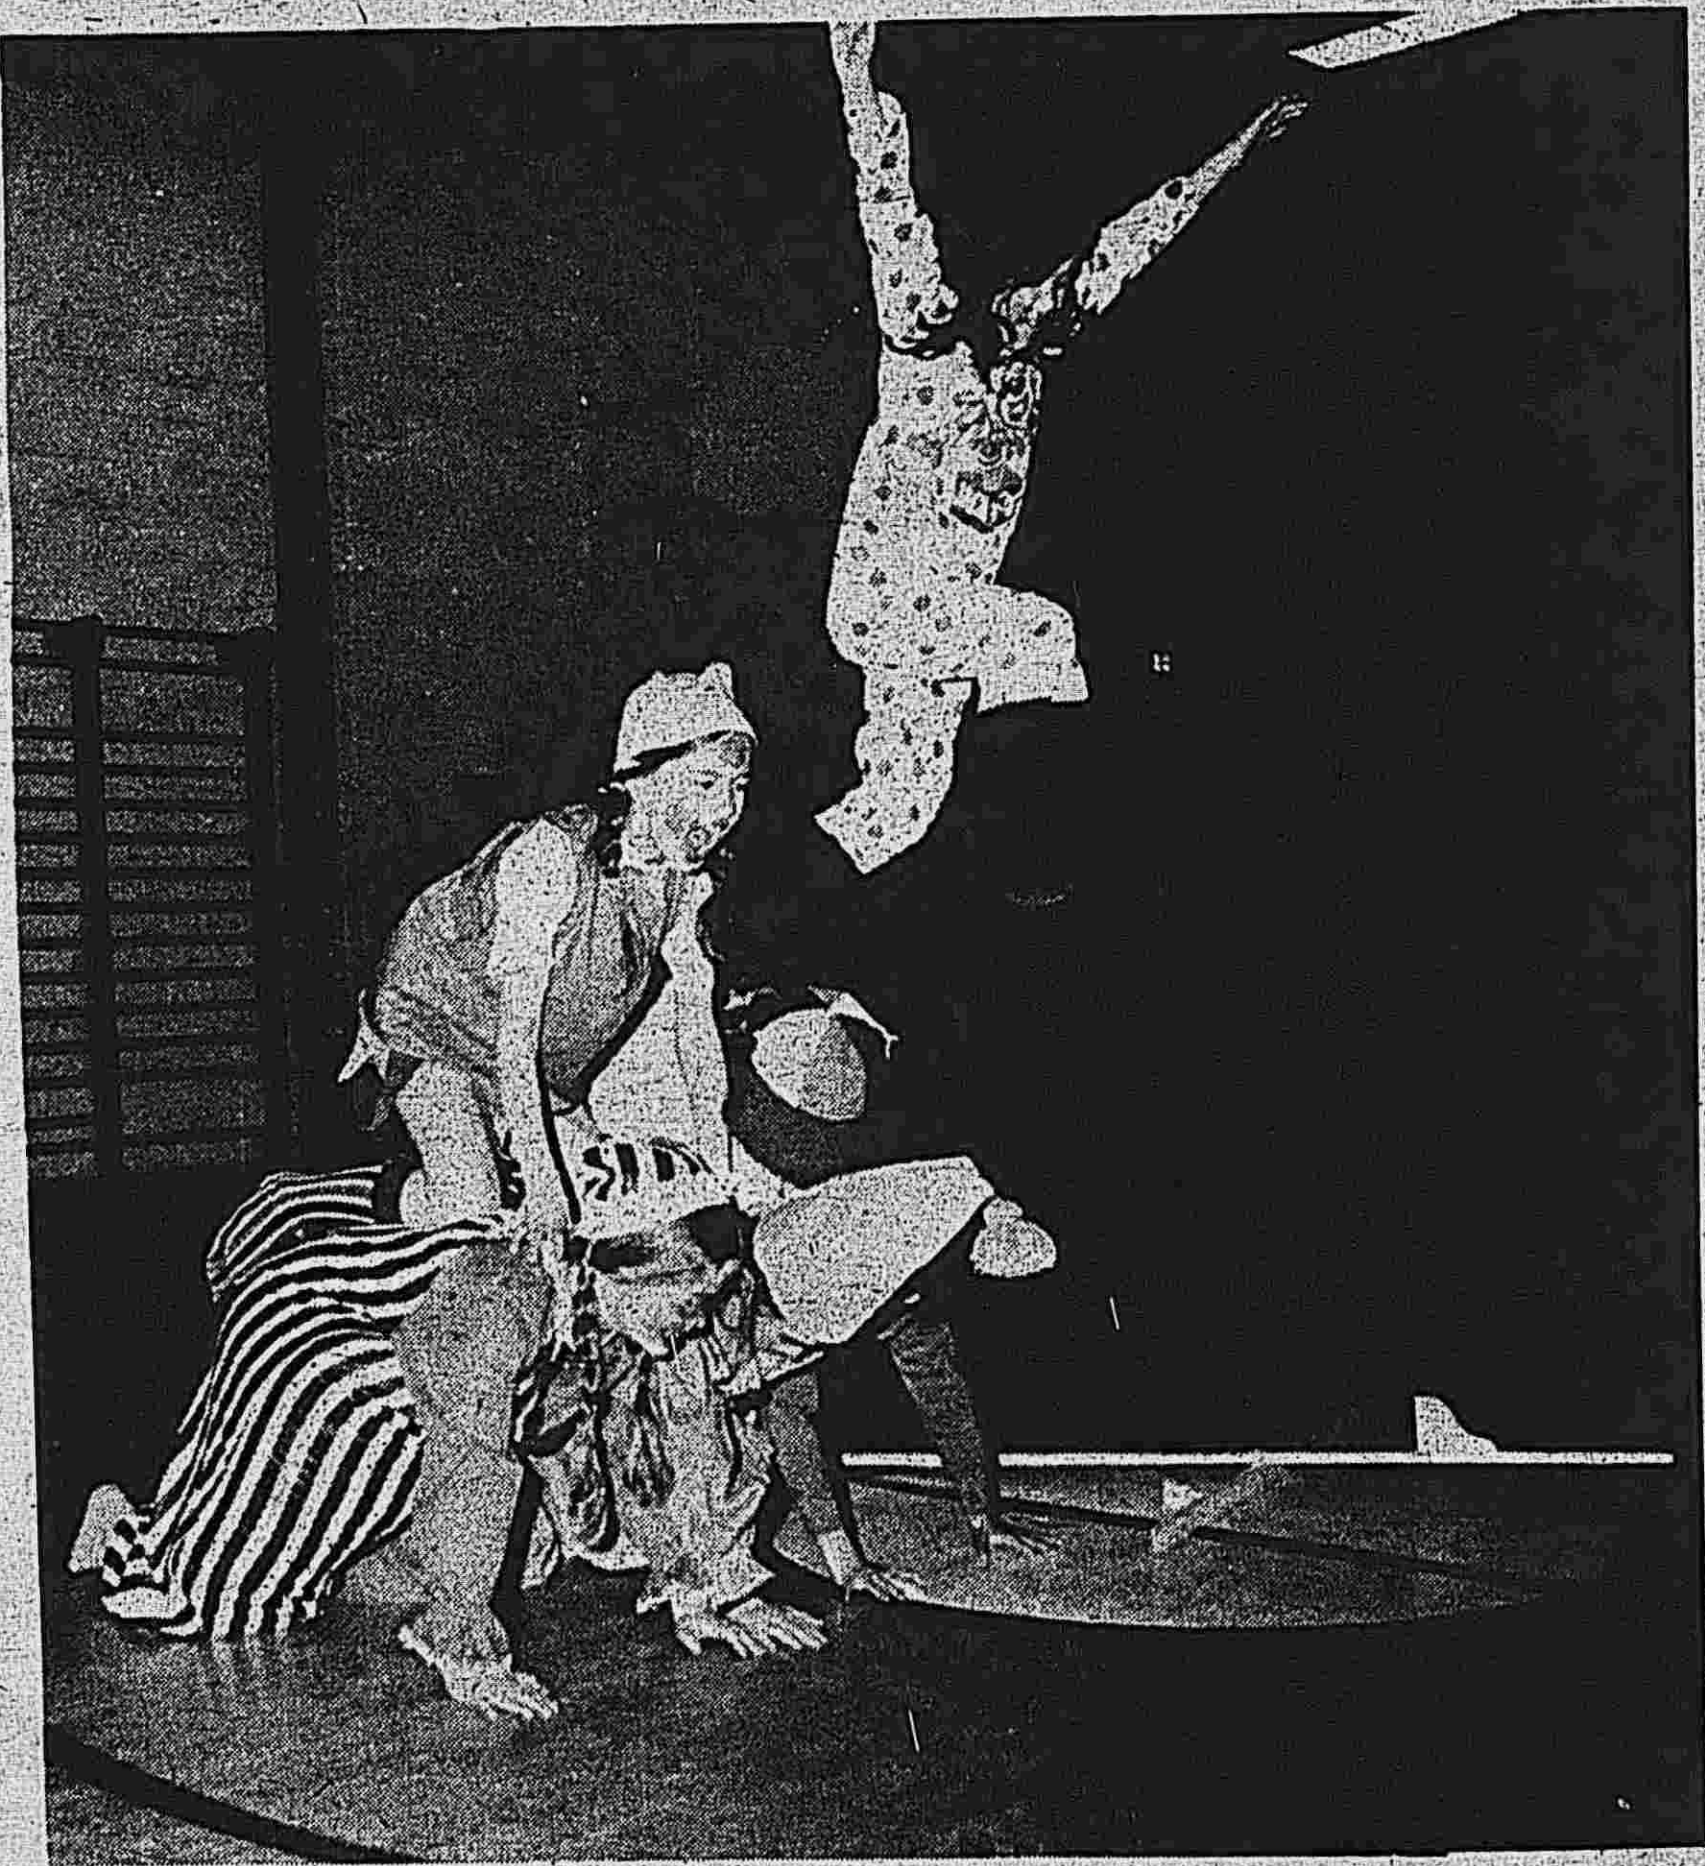

Memories of last year's production of "Sound of Music," by the PM&L players, came from Julianne Apostal and Margaret Purfeerst, who sang "My Favorite Things." These two young ladies are in the 2nd grade and did an outstanding job.

PLAYING GUITARS and singing "Today While the Blossoms" at St. Peter's Variety Show last Thursday were (from left) Lisa Esser, Joan Bellucci and Jody Bellucci.

"MY FAVORITE THINGS," from "The Sound of Music," was sung by Julianne Apostal (left) and Margaret Purfeerst.

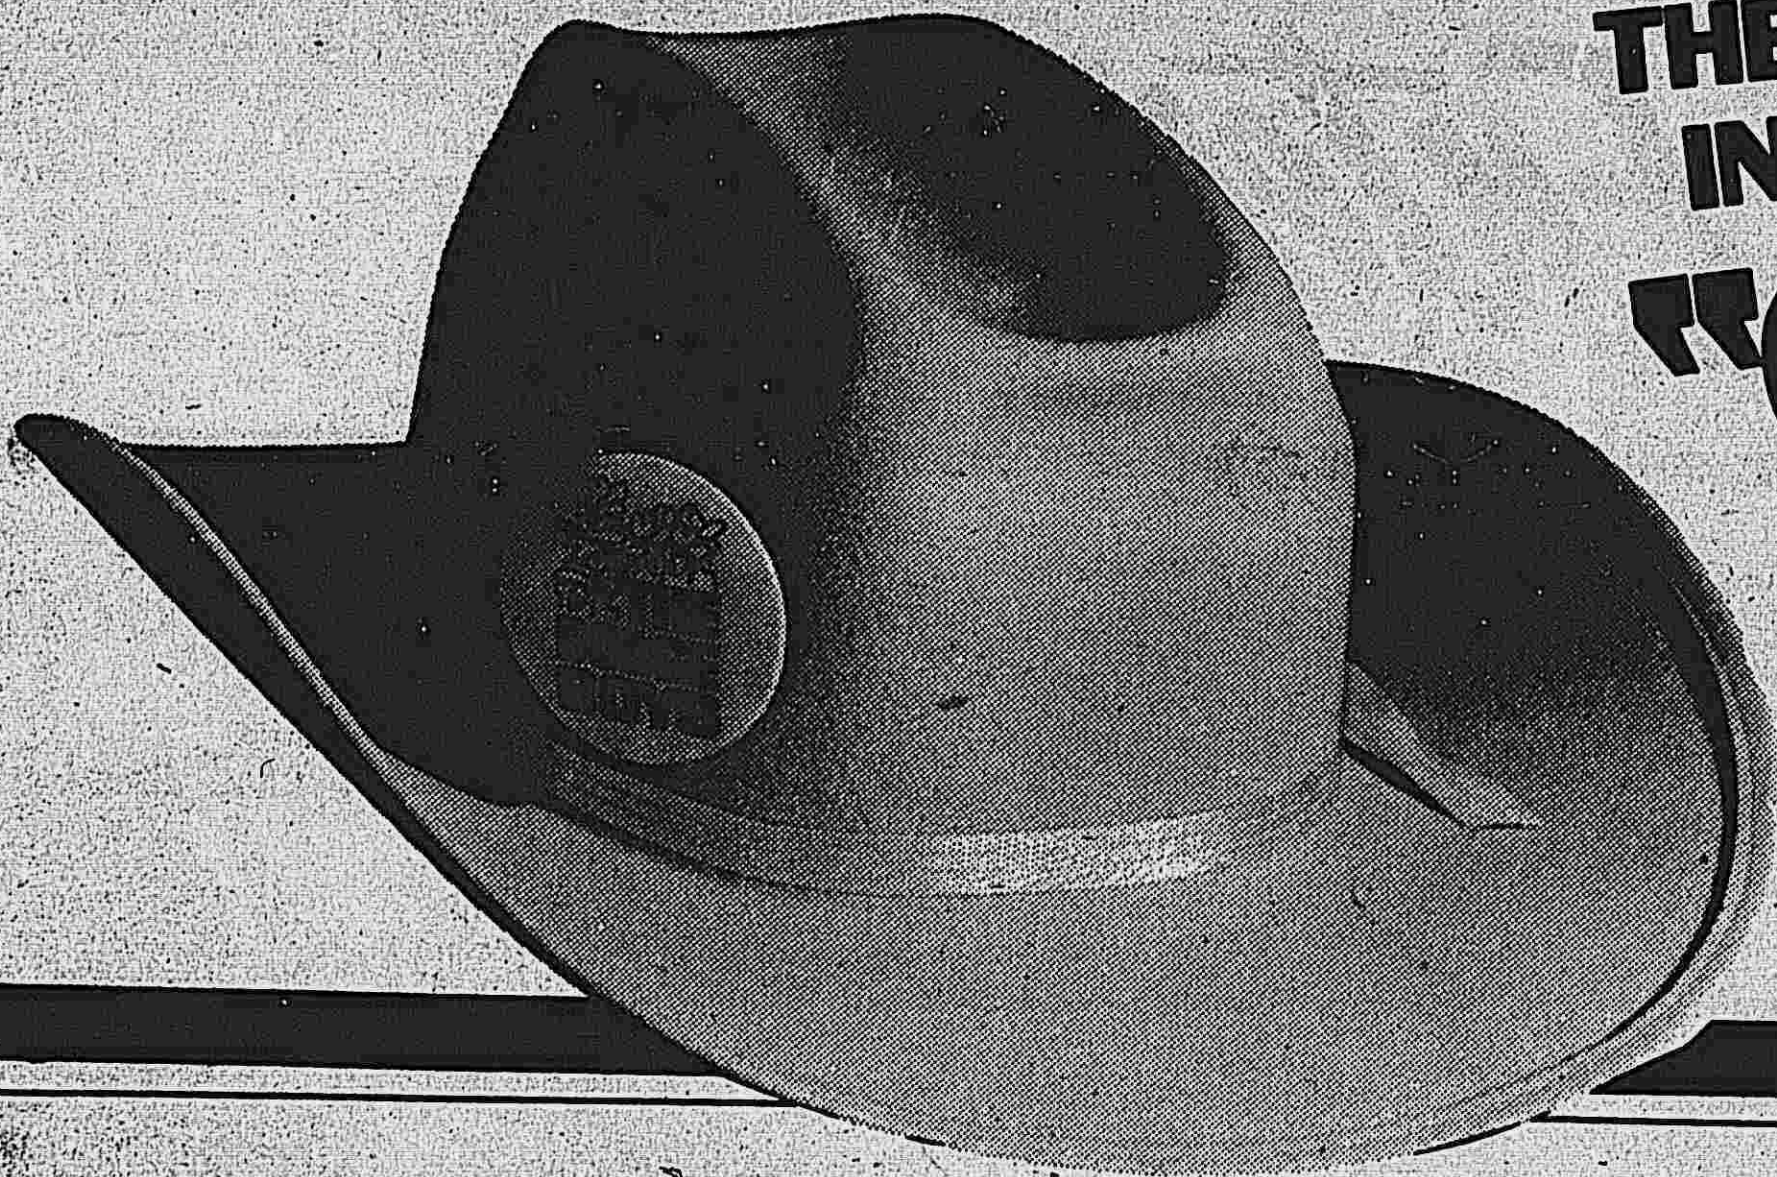

"CLOWNS ON PARADE" featured a daring jump by Nancy Jucha. The other rompers were Tracy Kerby, Mary Palenik, Ginny Papp, Caroline Sokulski and Amy Venn.

"SUPERCALIFRAGILISTIC" was sung, with gestures, by St. Peter's third graders.

## 'John Brown's Body' Is Next PM&L Play

A dramatic and musical adaptation of Stephen Vincent Benet's celebrated masterpiece, "John Brown's Body," will be offered as PM&L's next production.

The opening performance is scheduled Saturday night, Apr. 5 and subsequent presentations are set for Fridays and Saturdays, Apr. 11, 12, 18 and 19.

Curtain time for all performances at the PM&L Theatre, 877 Main St. in Antioch, is 8:30 p.m.

In making reservations, don't forget that PM&L's new telephone number is 395-3055.

Playgoers may find "John Brown's Body" interesting for a number of reasons. For one thing, its format is unusual. The combination of Benet's gripping original poem with the music written for it by Fenno Heath has resulted in a species of choral reading, a cross between a musical and a conventional drama.

Many regard this production as "just what the doctor ordered" for our national psyche. In a time of crisis and recession, of Watergate and disillusionment with our political leadership, this is a

reminder of the principles on which the country was founded.

The PM&L production is directed by Don Beveroth. Mary Chris La Kome, whom many will remember for her performances in "Sound of Music" and "Roar of the Greasepaint," is the musical director of "John Brown's Body." Principal roles are taken by Valerie Hunley and Lou Jones, well-known PM&L veterans; and by Don MacKenzie, a newcomer to the PM&L stage.

## Statement of Interest Filing Date Set

Grace Mary Stern, Lake County Clerk, is reminding all local officeholders that their statements of economic interests are due to be filed in her office no later than Apr. 30.

statements must be in our office by 5 p.m. on Apr. 30 of each calendar year."

Anyone elected to a unit of local government - county, village, school board or township - is required to file. Also included are members of plan commissions, zoning boards, drainage districts and any employee of those units of local government who earns more than \$20,000 a year.

## Ron Cunningham Family Enjoys Florida Vacation

The Ron Cunninghams of Antioch have returned from a marvelous two-and-a-half week vacation.

They stayed at the Golf Resort at Disneyworld in Florida for four fun-filled days.

As you can see by the photo above, Julie and Sandra Cunningham were taken by the charm of the Disney charac-

ters. Their favorites, of course, were Minnie and Mickey Mouse.

The Cunninghams also spent time with Mary's brother, Don Wertz, in Ft. Lauderdale and her sister Marlene in Savannah, Ga.

On the way home, the Cunninghams took Marlene's daughter, Sherry Clauson, back to school in Athens, where she is a junior at the University of Georgia.

## Instructional Materials

Antioch Community High School has received instructional materials from local businesses.

Thelen Sand and Gravel and Olson Implement Co. donated a "Sun Distributor Test" to the Power Mechanics Shop.

Charmglow Products donated a motion picture titled, "The Day Business Stood Still," for use in vocational classes.

Also, Mr. Jim Olson contributed a film strip, "Enterprise," and Pickard, Inc., loaned the school a film strip titled "Profit - Who Needs It?" for use in Vocational classes.

AN EARLY SPRING ... and end of the snowmobiling season was observed in Rio De Janeiro, Brazil, by Alfred and Florence Pedersen. Pedersen, president of Pedersen Brothers Implement Company, won the trip in Massey-Ferguson's contest based on his excellence in snowmobile sales and service. "My only regret," said Al, "is that I missed some good snowmobiling weather back home." The Pedersens combined business with pleasure in Rio through a sneak preview of Massey's new 1975-76 line of snowmobiles. Pedersen, who has handled Massey products for 39 years, increased his MF snowmobile sales 20 percent this year.

## Local Republicans Plan to 'Rebuild'

A new membership drive is underway in the Republican Party to restore the strength of the GOP in Lake County.

That was one of the messages given by County Chairman William J. Murphy Saturday night when the Antioch Township Republican Club held its 17th annual Spring Dinner Party and Installation of Officers.

The event was at Lorenz's Smart Country House, and Murphy said:

"Our party is worth saving. We want a country of free enterprise and a country in which the people should rule and not be ruled. It is necessary to save the Republican Party in this town, this county and this country."

TOWNSHIP CHAIRMAN William E. Brook said, "We need the emergence of new and strong leadership. We lost some offices in the last

## Antioch Firemen Update Skills

The Antioch Fire Department has had a successful year for training.

The firefighters have had two practice "burndowns" which gave them actual experience under fire conditions. Another burndown is planned Apr. 6.

Two firemen, William Georges and Dale Frasch, took advantage of the 40-hour basic instructors course at the College of Lake County. And 22 Antioch men successfully challenged the basic firefighters exam as approved by the

Illinois training commission. That exam also was held at CLC.

Statistics show that the training is paying off in reduced fire loss figures in comparison to the value of property involved.

## Ex-Sequoits Finish First College Season

Two of last year's Antioch High School basketball stars have finished their first season as college players.

Vic McGuire and Mike Gutowski helped the College of Lake County Lancers to a 9-5 record in Skyway conference play and a 15-14 record for the entire season.

McGuire averaged 12.4 points in conference games and Gutowski hit at an 8.5 clip. Both were starters on the CLC team.

Coach Bruce Smith praised McGuire as a scoring threat and rebounder, and pointed out that Gutowski scored on 46 percent of his field goal attempts.

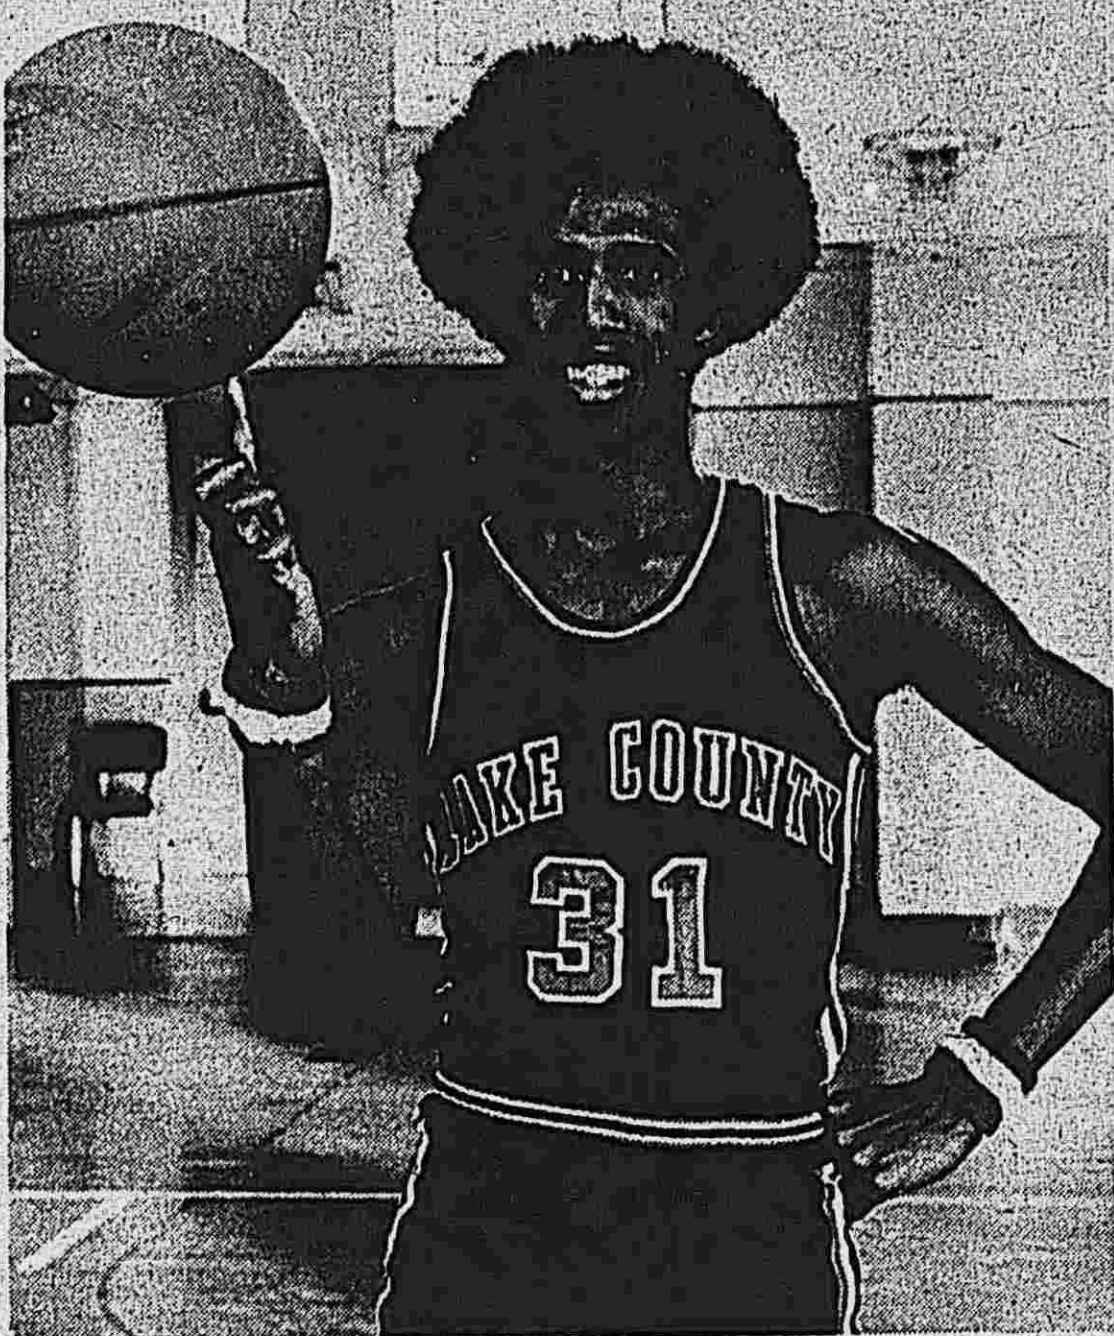

One of the Lancers' highlights was their 68-52 upset victory over Wright Junior College, ranked second among state junior colleges at the time.

A big difference between high school and junior college basketball, as experienced by McGuire and Gutowski, is that

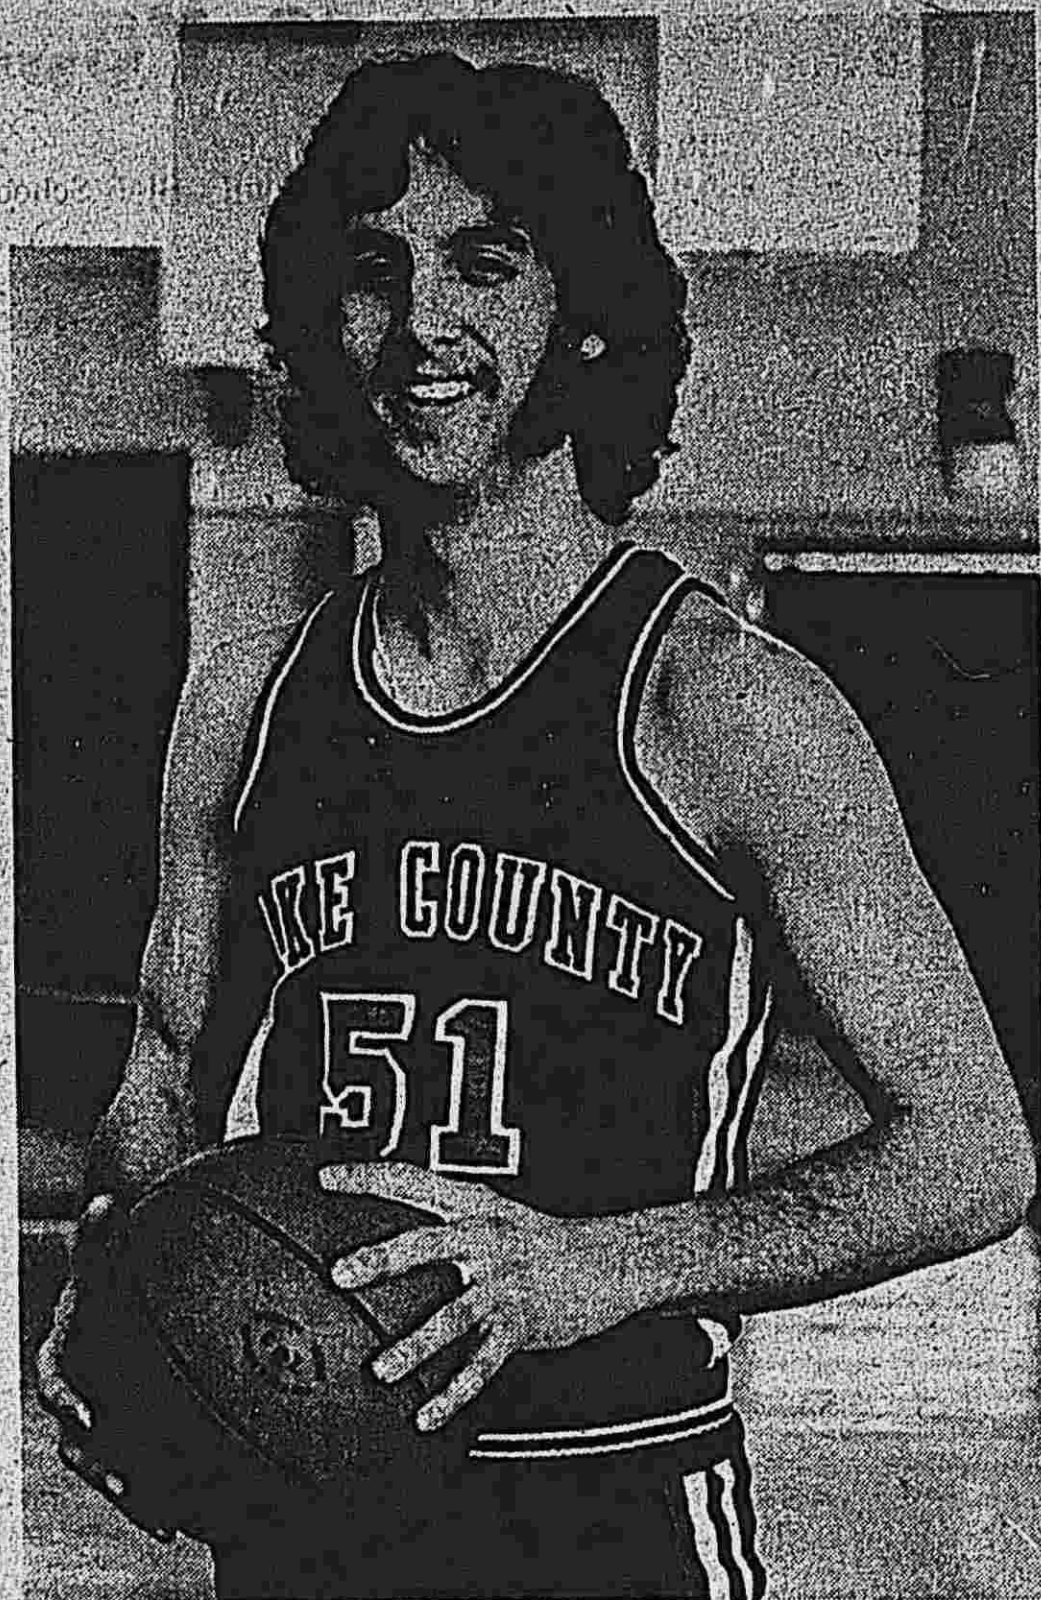

the Lancers started the season with plenty of talent but only a

12-man squad. By semester break the team was down to nine players.

Mike recalls a game in a holiday tournament when CLC got into foul trouble and had to play the last five minutes with only four men on the floor, yet they almost won the game.

## Sue Ring Bowls 611

Outstanding scores were turned in Mar. 11 by some of the ladies competing in the Ten-Pin Topplers league at Antioch Bowl.

Sue Ring had a 611 series on games of 175, 181 and 255 and she led her team, Dug-Out Inn, to a 2,674 series. Dut-Out's final game was 1,029, with handicap. From scratch it was 971.

Sue, a 160 average bowler, was the first member of the league to top 600 this season.

Whoever invented the word "heartbreaker" when describing a basketball loss hadn't seen anything yet.

Antioch's Sequoits lost the "heartbreaker" of all "heartbreakers" last Wednesday when they were beaten 47-45 by Rockford Auburn in the sectional tournament at Rockford.

Auburn went on to win the championship 60-47 over Rockford Harlem.

Antioch had beaten Auburn 53-52 earlier in the season. That's how close the teams were matched.

LAST WEDNESDAY'S game was decided with four seconds remaining when Auburn guard

## Auburn Breaks Antioch's Heart

### SEQUOITS LOSE 47-45 THRILLER

Steve Cossey swished a 15-foot shot from the side.

The defeat finished Antioch's season with a 22-6 record, same as last year. Once again the Sequoits won conference and regional championships.

Just before Cossey's winning shot, Antioch suffered two bad breaks which cost it the game.

WITH THE score tied at 45-45, Antioch's Mike Witt was dribbling toward the Auburn basket. A rival player slapped at the ball and it went across the 10-second time line. Witt went after it, but when he touched it an official called the Sequoits for a violation. He hadn't seen the Auburn player knock the ball away from Witt and incorrectly gave the ball to Auburn.

Then, with less than a minute remaining, Antioch again had possession and this time Witt was knocked to the floor from behind when an Auburn player tried to steal the ball.

Witt sprawled on the floor with an apparent head injury but no foul was called.

ANTIOCH COACH Roger Andrews didn't complain.

"When teams are that balanced you have to play well. We did that. And you have to get some breaks. Apparently we didn't get enough of them," he said.

Andrews said, "Our kids did a great job. They worked hard. I was real pleased. Our season had many high points and I think the school and community should be very proud of their accomplishments."

Antioch's Mike Perrone had scored 29 points when the Sequoits beat Auburn in the

Christmas tournament. So Auburn really boxed him in this time, holding Perrone to eight. But Mike did a super defensive job on Auburn's 6-foot-10 Lester Thompson, holding him to eight points and four rebounds.

Russ Albano played one of the

outstanding games of his career and led scorers with 20 points.

One break here or there and Antioch might have won the sectional championship and be on its way to the "Elite Eight" in the state finals.

It broke some Antioch hearts but, as Shakespeare said:

"Great men great losses must endure."

## Basketball Contest

### BERNIE GUTOWSKI WINS, HIS WIFE TIES FOR 2ND

Although their Sequoits were eliminated on Wednesday night, a lot of Antioch fans still participated in the Antioch News basketball contest last week.

It was the final contest of the season and the object was to pick the winner and the point-spread in the sectional championship game between Rockford Auburn and Rockford Harlem.

Most fans thought it would be a close game, so when Auburn won by 13 points, 60-47, the majority were eliminated.

Coming closest was Bernie Gutowski of 489 Crest Lane, who predicted Auburn would win by

11 points. He wins the \$15 first prize.

Tying for second were two fans who came within five points of the outcome. Shirley Gutowski, Bernie's wife, picked Auburn by 18 points and Kathleen Hoffman picked Auburn by 8. They will share the \$10 and \$5 prizes for second and third place, each receiving a check for \$7.50.

## 'Wolfman' Is Popular 'Trotter

Theodis "Wolfman" Lee of the Harlem Globetrotters thinks there is nothing he cannot do. He will demonstrate the attitude when he arrives in Antioch with the famous basketball team on Thursday.

Apr. 3, for a game at Antioch Community High School, sponsored by the Chamber of Commerce and Industry.

Tickets are now on sale through all Chamber of Commerce members. Globetrotter

posters distributed throughout the area indicate where tickets can be obtained.

For additional information on tickets call the Chamber office, 395-3381 or the State Bank of Antioch, 395-2700.

Theodis Lee has enjoyed a basketball career that reads like: "First: Monroe, Louisiana, then Houston, finally the WORLD!" He was a prep star on the powerful team in Monroe which won three district championships. After considering many collegiate offers, Lee chose the University of Houston.

THE HIGHLIGHT of his college play was the 1969 National Championship, en-route to which the Houston club defeated the UCLA team starring Lew Alcindor.

From Houston, Wolfman came directly to the Harlem Globetrotters where he has captivated audiences around the world. The thing that attracts so many fans is that he is a "character." He isn't an oddball, but he walks to the beat of a different drummer.

Perhaps this is why "Wolfie" is a star of the popular "Harlem Globetrotters Popcorn Machine" series on CBS Television. He has an off-beat sense of humor that is infectious.

Wal-Tims, accompanying the Harlem Globetrotters.

## Acrobats To Perform On Globetrotter Show

The breath-taking father and son team, the Wal-Tims, will be a part of the half-time variety show on Thursday, Apr. 3 at 7:30 p.m. when the world-famous Harlem Globetrotters basketball team play one game at Antioch Community High School, sponsored by the Antioch Chamber of Commerce and Industry.

Pres Reckers, chairman of

the event, reports that tickets are on sale through all Chamber of Commerce members or by calling the Chamber office, 395-3381 or the State Bank of Antioch, 395-2700.

The Wal-Tims perform daring feats. Twelve-year-old Tim has worked with his dad since he learned to walk, and is now a fearless professional. Tim and his father are a special talent

with a fast-moving act displaying their own personality and brand of humor.

They have been featured on the Johnny Carson, Dean Martin and Truth or Consequences shows; and have played the Shrine Circuses, and the Thunderbird and Landmark hotels in Las Vegas.

## Wins Tourney

Antioch's Faith Lutheran basketball team won the first place trophy last weekend in the 19th annual grade school tournament played at Northwestern College in Watertown, Wis.

Six Lutheran grade school teams from Illinois and 10 from Wisconsin were invited.

In Sunday's championship game, Faith Lutheran beat St. John's of Montello, Wis., 42-37 with Mike Lischewski scoring 36 of his team's 42 points.

## DOMESTIC AND INTERNATIONAL

## ABC's of Travel

By BARB CORBIN

Attention Students: Summer is not too far away even though it seems like the school year will never end. For all of you who might be considering going overseas this summer, following are some helpful hints and money savers.

The Council on International Educational Exchange maintains that it is still possible for a student to travel abroad and save money. To prove it they are offering their new anti-inflation kit. The biggest travel bargain of all described in the anti-inflation kit is the International Student Identity Card which entitles students to discounts on intra-European Charter flights, student hotels

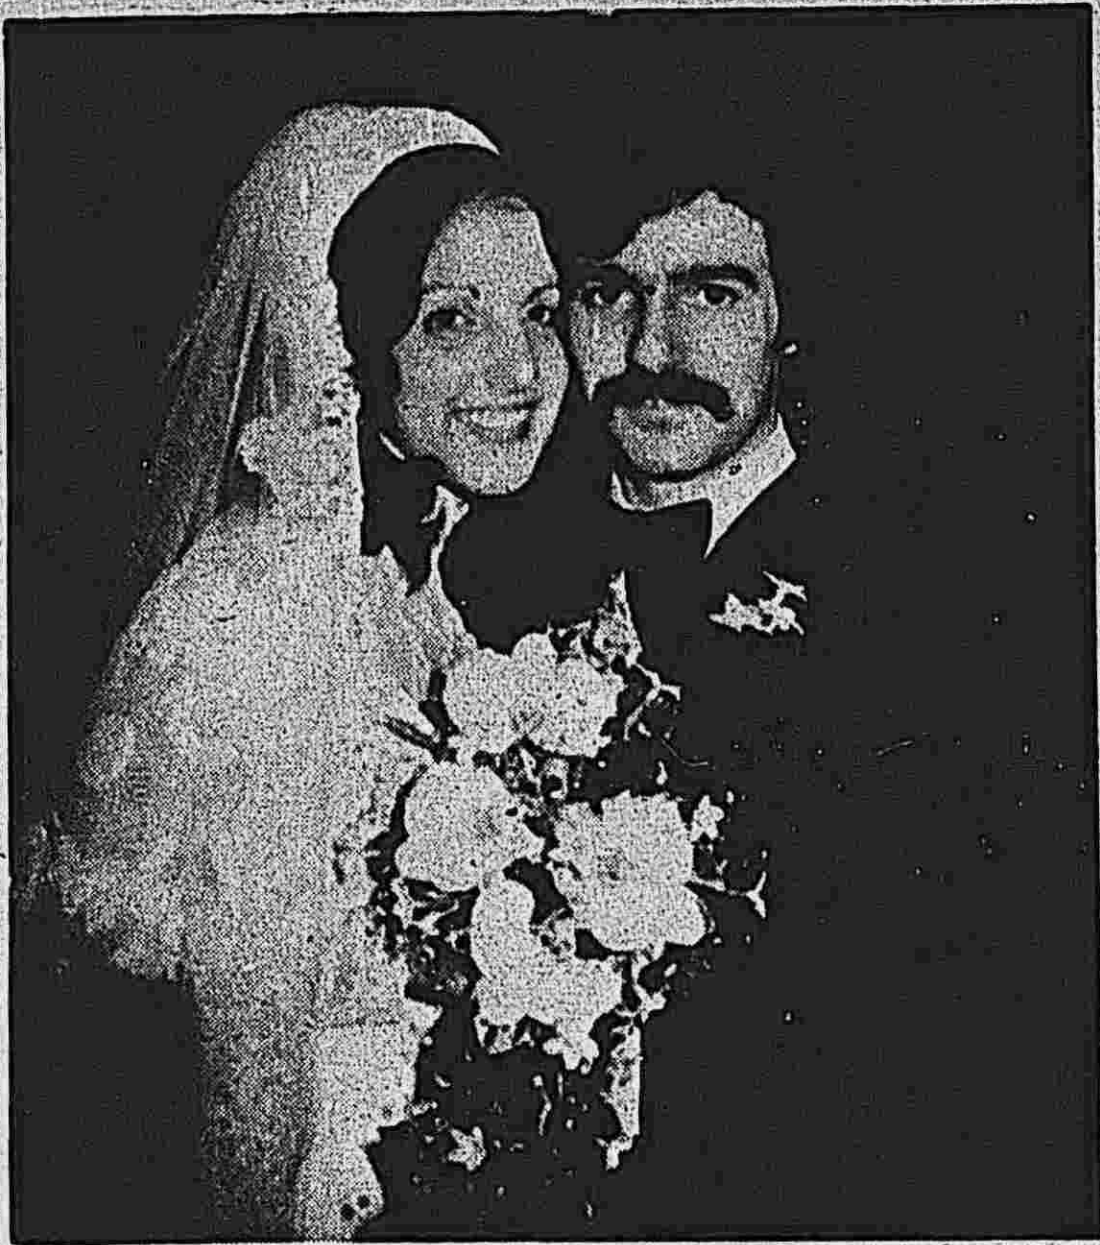

and restaurants, museum fees, etc. The card only costs \$2 which is the same fare charged for the past three years.

Besides this card, the kit includes material describing other travel bargains - Student

Railpasses, Brit Rail Passes, special student travel insurance and travel books written especially for student travelers.

THE BEST PART is that this kit is free. All you have to do is designate your school and age in writing to the Council on International Educational Exchange, 777 United Nations Plaza, New York, New York 10017, and request the new Anti-Inflation Kit.

Also, don't give up hope. There is still light that the youth fares will be back for this summer. Will keep you advised as to rates, restrictions, etc. as soon as it is released by the Civil Aeronautics Board. News - News - News. When in doubt, call your local travel agent.

## Carol Shotola, Joseph Badame Are Married

The former Carol Shotola of LaGrange Park and Joseph Badame are back in Antioch after their wedding and a honeymoon in Acapulco, Mex.

Mr. Badame is an Antioch Businessman. They were married on Jan. 12 at St. Maria Goretti church in Schiller Park and the reception was held at the O'Hare Inn Penthouse ballroom.

Parents of the couple are Mr. and Mrs. William Shotola and Mr. and Mrs. Nick Badame.

For the wedding, the bride's dress was a French re-embroidered Alencon lace with a satin and white cathedral veil.

Diane Shotola, the bride's sister, was maid of honor and Philip Badame, the groom's brother, was the best man.

Bridesmaids were Sue Shotola, Margy Newell and Anita Lavezzi.

The ushers were Robert Maicke, Russell Fahrner and Howard Ehrke. Tisha Garrison, the groom's niece, was the flower girl.

## Palm Sunday Celebration

The Allendale School for Boys in Lake Villa has invited all interested persons in the area to join the boys and the school's staff in celebrating the Easter season on Palm Sunday, Mar. 23, at 2:30.

The program will feature a chapel service and a guitar chorus.

The chorus will perform traditional Easter music as well

as modern selections.

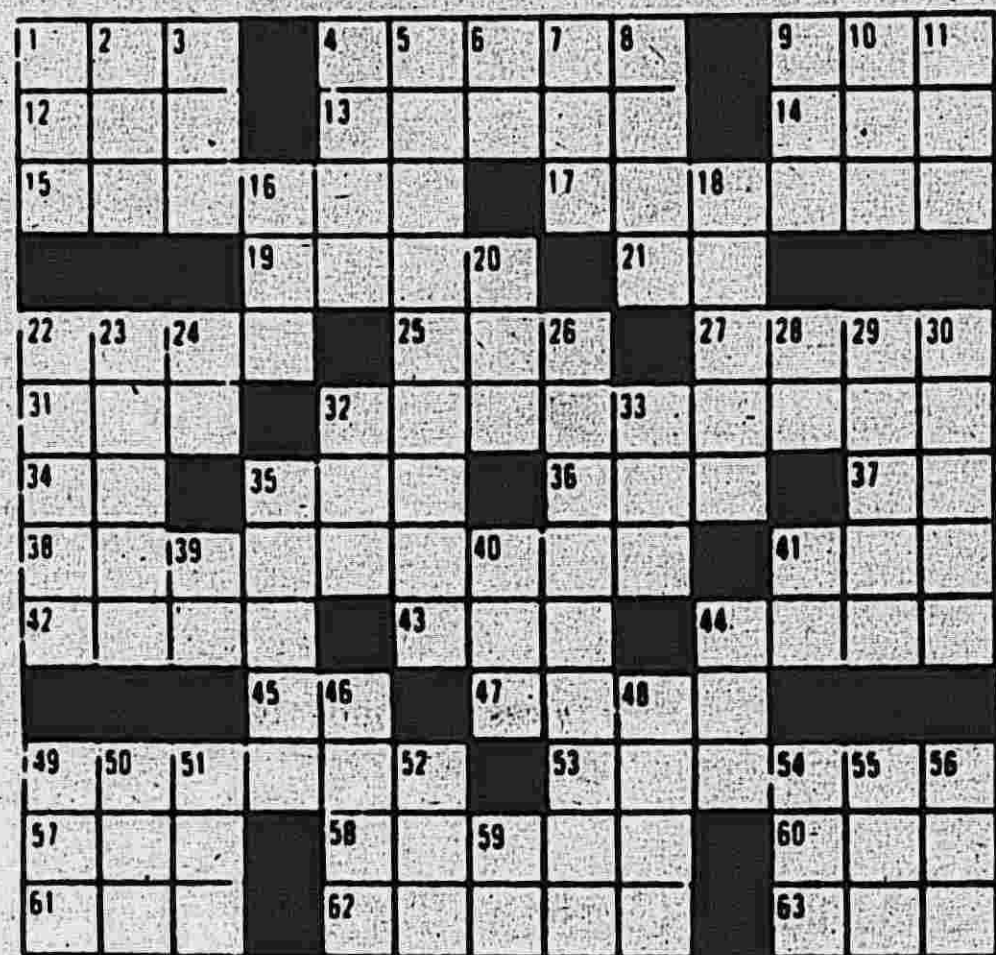

Following the service, there will be an easter egg hunt for all children present. Further information can be obtained by calling the school at 356-2351, extension 64.

Many Cub Scouts of Den 3, Pack 192, received honors at the recent Blue and Gold Dinner at Oakland Grade School.

Den Mothers Pat Damit and Pat Hucker were very proud of their denners - including Billy Carmain who received his Bob Cat pin and badge, plus one gold and one silver arrow.

Mark Damit was awarded his assistant denner's cord, bear badge and a gold and silver arrow and recruiter's badge.

Wade Hucker received his denner's cord and second recruiter's badge, and Jeff Kroll, Eddie Stanek, Scott Mathers and Mike Aquirre all received Bob Cat pins and badges.

THE DEN MOTHERS are thanking all the other moms who helped with the dinner and their sponsor for presenting flashlights to the boys, plus taking pictures of the dens for the boys to keep as a remembrance of the day.

The Brownies journeyed to Chicago recently to see the Ice Capades. Mrs. Kay Doty made

the arrangements and the Girls are still talking about the exciting day.

**BELATED BIRTHDAY** greetings to Mrs. Aquirre, Andy Runyard and Nancy Harland.

Joe Gutowski celebrated his birthday at Victory Memorial Hospital, having surgery.

Sis Rodgers has been recuperating at home after having surgery at Victory Memorial.

I'm sure they would enjoy some cards from their many friends to help along their recoveries.

**WAYNE AND Dolly Bobo** celebrated their 12th anniversary with a small party at their home. Helping them celebrate were Harold and Audrey Rahn of Milwaukee, Alice Sanderson, Donna and Dale Conklin, Tom Furman and Dorothy Engenbacher, Konck and Ann Herabayashi, and Louise and Joe Gutowski.

A delicious buffet supper and anniversary cake, plus liquid

cheer, made the party complete. Many pictures were taken of the festivities and especially of the host, in all his glory.

**HAPPY BIRTHDAY** and anniversary to our former residents now living in Tacoma, Wash. Ted and Carol Portalski receive the Antioch News every week to keep in touch with old friends and neighbors. Is it true the stork is circling your house and planning a summer delivery? Congratulations!

Let me know the news.

# Names in the News

Dear Sir:

We wish to express our gratitude to the people of this community for their support of the Fun Fair held at the Antioch Grade School on Mar. 9.

Through their generosity we were able to show a net profit of \$1,393. This money will be spent on library equipment, and each teacher who organized a booth will receive \$25 to be used in his

or her classroom.

We are particularly grateful to all the teachers, parents and children who worked so hard but we are sure that when they see the results of their labors the aching backs and feet will seem worthwhile.

Yours sincerely,  
Harlan Ware, Principal  
Paul and Aileen Biel, Antioch PTO Co-Presidents
